

CHanalysis

The Division Analytical Sciences of the Swiss Chemical Society (SCG/DAS) is organizing CHanalysis, a meeting of Swiss analytical scientists. You are cordially invited to participate in the next meeting on 11–12 April 2019.

The goal is to stimulate a stronger cooperation among persons working in different areas of analytical sciences. Scientists from applied and fundamental research, from industry, education, and regulation are welcome.

Important Dates

- Submission of abstracts: by March 1, 2019
- Notification of acceptance: March 15, 2019
- Registration: until March 22, 2019
- Meeting: April 11–12, 2019
